Project Description:

This project proposes to repair the sidewalk along Ortega Street, Cota Street, and Haley Street, from Chapala Street to Santa Barbara Street. Repairs will improve the accessibility of these three major corridors in Downtown Santa Barbara, and will include removing and replacing existing sidewalk, driveways, and access ramps. The construction will be completed in three separate phases, one corridor at a time.

Current Schedule:

Final Design is scheduled to be completed during the Summer of 2011, with Construction beginning in Fall 2011.
